

E-POSTER PROGRAMME

Monday 20 March and Tuesday 21 March

POSTER SCREEN 4

Poster no.	Time	Title	Category
EP002	08:00 11:25 14:50	A five year study of deep/non palpable contraceptive implants in a sexual and reproductive health service in West Midlands, UK	Contraception and Fertility Control
EP005	08:05 11:30 14:55	Manual vacuum aspiration-the patient experience	Contraception and Fertility Control
EP006	08:10 11:35 15:00	The provision of postnatal contraceptive advice in Uganda	Contraception and Fertility Control
EP007	08:15 11:40 15:05	Addressing challenges in PPIUD program in India through private sector providers	Contraception and Fertility Control
EP008	08:20 11:45 15:10	Post Placental Insertion of copper 380A IUCD:- a retrospective study at Tygerberg Hospital, Cape Town, South Africa	Contraception and Fertility Control
EP009	08:25 11:50 15:15	Manual vacuum aspiration (MVA) – how acceptable it is for the patients? Patient satisfaction survey in a large UK unit	Contraception and Fertility Control
EP010	08:30 11:55 15:20	Comparative safety and efficacy of a dedicated PPIUD inserter and Kelly placental forceps insertion for immediate postpartum IUD insertion: A randomized controlled trial	Contraception and Fertility Control
EP012	08:35 12:00 15:25	Utilizing knowledge based assessment of Health Care Providers (HCP) on Postpartum Family Planning (PPFP) in Tanzania to inform training	Contraception and Fertility Control
EP013	08:40 12:05 15:30	Family planning in a low resource setting: attitudes and acceptability of long term contraception methods among women in Mulanje Mission Hospital, Malawi	Contraception and Fertility Control
EP014	08:45 12:10 15:35	Public Acceptance and Awareness of Mirena Coil Insertion Immediately After Caesarean Section in Wolverhampton, UK	Contraception and Fertility Control
EP015	08:50 12:15 15:40	Comparison of expulsion rate in immediate versus delayed insertion of intrauterine device in females presenting after delivery	Contraception and Fertility Control
EP016	08:55 12:20 15:45	Quality improvement in primary care: documenting intrauterine contraceptive insertion for patient & practitioner protection in a local UK general practice surgery	Contraception and Fertility Control
EP017	09:00 12:25 15:50	How well do we manage missing or lost intra uterine contraceptives?	Contraception and Fertility Control
EP020	09:05 12:30 15:55	Post-Partum family planning: What women want	Contraception and Fertility Control
EP021	09:10 12:35	Mifepristone and misoprostol for the termination of pregnancy at 64-140 days from LMP	Contraception and Fertility Control

	16:00		
EP026	09:15 12:40 16:05	Is hyperemesis is gravidarum associated with adverse perinatal outcome?	Early Pregnancy and Acute Gynae
EP027	09:20 12:45 16:10	The use of MyoSure Hysteroscopic Morcellation in the management of retained products of conception	Early Pregnancy and Acute Gynaecology
EP028	09:25 12:50 16:15	Prophylactic use of antibiotic for incomplete and missed miscarriage, prior to medical and surgical management: A randomized controlled trial.	Early Pregnancy and Acute Gynaecology
EP031	09:30 12:55 16:20	Awareness of the signs and symptoms of ectopic pregnancy in a female population in East London.	Early Pregnancy and Acute Gynaecology
EP032	09:35 13:00 16:25	Changing trend of management of ectopic pregnancy: 12 months experience in a local general hospital.	Early Pregnancy and Acute Gynaecology
EP033	09:40 13:05 16:30	Patient satisfaction with virtual follow-up care after an ectopic pregnancy	Early Pregnancy and Acute Gynaecology
EP034	09:45 13:10 16:35	An unusual case of an ectopic pregnancy in a partially absent fallopian tube.	Early Pregnancy and Acute Gynaecology
EP035	09:50 13:15 16:40	A ruptured scar ectopic pregnancy at 11 weeks, a case report	Early Pregnancy and Acute Gynaecology
EP036	09:55 13:20 16:45	The management of pregnancy of unknown location: a clinical audit	Early Pregnancy and Acute Gynaecology
EP037	10:00 13:25 16:50	Outcomes from pregnancies of unknown location (PULs) managed according to pre-determined cut-off values for the 48hr serum HCG ratio	Early Pregnancy and Acute Gynaecology
EP038	10:05 13:30 16:55	The management of patients admitted with ovarian hyper stimulation syndrome	Early Pregnancy and Acute Gynaecology
EP039	10:10 13:35 17:00	Review of the management and outcome of women with caesarean scar pregnancy (CSP) at a single centre in Dubai	Early Pregnancy and Acute Gynaecology
EP040	10:15 13:40 17:05	Case presentation; Pre – rupture diagnoses of rudimentary horn pregnancy, patient with abdominal pain	Early Pregnancy and Acute Gynaecology
EP041	10:20 13:45 17:10	Hyperemesis: The road to ambulatory rehydration	Early Pregnancy and Acute Gynaecology
EP042	10:25 13:50 17:15	Management of Missed Miscarriage: Examining outcomes of expectant, medical and surgical management in EPAS setting	Early Pregnancy and Acute Gynaecology
EP043	10:30 13:55 17:20	Quality improvement in early pregnancy clinic and improving patient satisfaction	Early Pregnancy and Acute Gynaecology
EP046	10:35 14:00 17:25	Rarest of the rare - molar pregnancy followed by Choriocarcinoma, a medical challenge	Early Pregnancy and Acute Gynaecology
EP047	10:40 14:05 17:30	Obstetric outcomes in women with first trimester vaginal bleeding- A retrospective study	Early Pregnancy and Acute Gynaecology
EP048	10:45	A case of ectopic pregnancy following hysterectomy	Early Pregnancy and Acute

	14:10 17:35		Gynaecology
EP050	10:50 14:15 17:40	A case series of Acquired Uterine Arterovenous Malformations - Clinical presentation, diagnosis management and outcome	Early Pregnancy and Acute Gynaecology
EP052	10:55 14:20 17:45	The evolution of outpatient gynaecology in the surgical management of miscarriage	Early Pregnancy and Acute Gynaecology
EP055	11:00 14:25 17:50	Spontaneous Heterotopic Pregnancies - Horses or Zebras?	Early Pregnancy and Acute Gynaecology
EP057	11:05 14:30 17:55	Associations and perceptions of first trimester sporadic miscarriages in a Sri Lankan patient cohort	Early Pregnancy and Acute Gynaecology
EP058	11:10 14:35 18:00	Following up patients after medical management of miscarriage. To scan or not to scan?	Early Pregnancy and Acute Gynaecology
EP059	11:15 14:40 18:05	Post Coital Injury - A case series & systematic review	Early Pregnancy and Acute Gynaecology
EP060	11:20 14:45 18:10	Combining mifepristone with misoprostol increases the success rate of medical management in first trimester miscarriage	Early Pregnancy and Acute Gynaecology

POSTER SCREEN 5

Poster no.	Time	Title	Category
EP061	08:00 11:25 14:50	An unusual case of a ruptured ectopic pregnancy with negative urine pregnancy test.	Early Pregnancy and Acute Gynaecology
EP063	08:05 11:30 14:55	Is there a seasonal variation in the presentation and management of ectopic pregnancies over a 13 Year Period?	Early Pregnancy and Acute Gynaecology
EP065	08:10 11:35 15:00	Heterotopic pregnancy: case series	Early Pregnancy and Acute Gynaecology
EP066	08:15 11:40 15:05	Management of first trimester miscarriage in a tertiary hospital in Cape Town, South Africa - a prospective observational study	Early Pregnancy and Acute Gynaecology
EP067	08:20 11:45 15:10	Caesarean Scar Ectopic Pregnancies: A 3-year case series in KK Women's and Children's Hospital, Singapore	Early Pregnancy and Acute Gynaecology
EP068	08:25 11:50 15:15	Laparoscopic management of a right fallopian tube torsion due to fallopian tube cyst in a pre-menarcheal girl	Early Pregnancy and Acute Gynaecology
EP069	08:30 11:55 15:20	Outcomes of pregnancies of unknown location with Progesterone less than 10	Early Pregnancy and Acute Gynaecology
EP072	08:35 12:00 15:25	A multidisciplinary approach to investigation and management of recurrent miscarriage in a combined clinic. A three-year retrospective review	Early Pregnancy and Acute Gynaecology
EP073	08:40 12:05 15:30	Ectopic pregnancy is associated with increased vaginal bacterial diversity and reduced Lactobacillus species dominance	Early Pregnancy and Acute Gynaecology
EP074	08:45 12:10	Omental ectopic pregnancy: A case report	Early Pregnancy and Acute Gynaecology

	15:35		
EP075	08:50 12:15 15:40	A review of outpatient medical management of miscarriage at a UK District General Hospital	Early Pregnancy and Acute Gynaecology
EP076	08:55 12:20 15:45	Medical management of scar pregnancy with potassium chloride and methotrexate and outcome from the middle east perspective	Early Pregnancy and Acute Gynaecology
EP078	09:00 12:25 15:50	Cervical Ectopic Pregnancy- A possible cause of excessive bleeding during suction evacuation	Early Pregnancy and Acute Gynaecology
EP080	09:05 12:30 15:55	Association between vaginal microbiome dysbiosis and miscarriage	Early Pregnancy and Acute Gynaecology
EP081	09:10 12:35 16:00	Should we routinely perform histopathology of products of conception after first trimester miscarriage?	Early Pregnancy and Acute Gynaecology
EP082	09:15 12:40 16:05	Outcome of Single -Dose vaginal misoprostol in early missed miscarriage	Early Pregnancy and Acute Gynaecology
EP083	09:20 12:45 16:10	A challenging diagnosis in termination of pregnancy clinic: heterotopic pregnancy	Early Pregnancy and Acute Gynaecology
EP088	09:25 12:50 16:15	Letrozole -hmg for intra-cytoplasmic sperm injection in polycystic ovarian syndrome	Fertility and Reproductive Medicine
EP089	09:30 12:55 16:20	Survey on psychosocial and financial impact of subfertility on sub fertile couples coming to the Teaching Hospital Peradeniya, Sri Lanka	Fertility and Reproductive Medicine
EP091	09:35 13:00 16:25	Evaluation of thyroid hormone replacement therapy on ovarian volume and androgen hormone in hypothyroid patient	Fertility and Reproductive Medicine
EP093	09:40 13:05 16:30	Assisted Reproductive Techniques- an overview of the current methods and technology available	Fertility and Reproductive Medicine
EP094	09:45 13:10 16:35	The Impact of Obesity on assisted Conception Treatment in a teaching Hospital: Saudi Arabia	Fertility and Reproductive Medicine
EP095	09:50 13:15 16:40	A Survey of UK Fertility Clinic Practices where evidence remains equivocal	Fertility and Reproductive Medicine
EP096	09:55 13:20 16:45	Variation in NHS funding & referral criteria for IVF across the North of England	Fertility and Reproductive Medicine
EP097	10:00 13:25 16:50	Factors affecting fallopian tube patency using hysterosalpingo-contrast sonography in an infertile population	Fertility and Reproductive Medicine
EP098	10:05 13:30 16:55	Psychiatric aspects of subfertility	Fertility and Reproductive Medicine
EP099	10:10 13:35 17:00	Osteoporosis and Amenorhea Management in Turner Syndrome in Late Finding Case	Fertility and Reproductive Medicine
EP100	10:15 13:40 17:05	Term Viable Pregnancy in Women with Undetectable AMH Levels (<0.16ng/ml)	Fertility and Reproductive Medicine
EP101	10:20	Clinical pregnancy rates in GnRH agonist cycles	Fertility and Reproductive

	13:45 17:10	(IVF/ICSI) with oral contraceptive pill use	Medicine
EP102	10:25 13:50 17:15	The reproducibility of the endometriosis fertility Index: Inter-observer variation in the least functional score	Fertility and Reproductive Medicine
EP103	10:30 13:55 17:20	Interstitial heterotopic: a case of cornual dejavu	Fertility and Reproductive Medicine
EP104	10:35 14:00 17:25	Acupuncture and IVF: A cross-sectional study of web based information	Fertility and Reproductive Medicine
EP105	10:40 14:05 17:30	An evaluation of the use of g-csf as an adjunct to ivf in women who have previously failed attempts at pregnancy with ivf	Fertility and Reproductive Medicine
EP107	10:45 14:10 17:35	An interesting case of male subfertility	Fertility and Reproductive Medicine
EP108	10:50 14:15 17:40	Views and attitudes of pregnant women regarding late termination of pregnancy for severe fetal abnormalities at a tertiary hospital in KwaZulu-Natal	Fertility and Reproductive Medicine
EP111	10:55 14:20 17:45	An unusual case of paraneoplastic anti-NMDA-receptor antibody mediated encephalitis secondary to ovarian teratoma seen in a UK teaching hospital with subsequent discussion of fertility preservation	Fertility and Reproductive Medicine
EP112	11:00 14:25 17:50	The relationship between race and risk factors for recurrent miscarriage. A retrospective study	Fertility and Reproductive Medicine
EP113	11:05 14:30 17:55	The role of the thromboelastogram in recurrent pregnancy loss	Fertility and Reproductive Medicine
EP114	11:10 14:35 18:00	Endometrial osseous metaplasia causing secondary subfertility in a Nullipara	Fertility and Reproductive Medicine
EP115	11:15 14:40 18:05	AltaSeal treatment for hydrosalpinx before in vitro fertilisation	Fertility and Reproductive Medicine
EP117	11:20 14:45 18:10	Complex issues surrounding IVF pregnancy and multiple sclerosis: a case report	Fertility and Reproductive Medicine

POSTER SCREEN 6

Poster no.	Time	Title	Category
EP120	08:00 11:25 14:50	Prenatal Diagnosis of ruptured Cardiac Diverticulum with in-utero pericardiocentesis to relieve tamponade effect of haemopericardium	Fetal Medicine
EP122	08:05 11:30 14:55	Persistence of low-lying placentas diagnosed by transvaginal ultrasonography in the second trimester	Fetal Medicine
EP124	08:10 11:35 15:00	Foetal Macrosomia: An insight into risk factors	Fetal Medicine
EP127	08:15 11:40 15:05	Birthweight and the relationship with maternal BMI, diabetes and hypertension: a quantile regression analysis of term births in the Malaysian National Obstetrics Registry data 2010-2012	Fetal Medicine

EP128	08:20 11:45 15:10	Cerebroplacental doppler ratio use in predicting and preventing adverse perinatal outcomes in intrauterine growth restriction	Fetal Medicine
EP131	08:25 11:50 15:15	Indications for third trimester termination of pregnancy; a five year experience	Fetal Medicine
EP132	08:30 11:55 15:20	Spectrum of renal anomalies detected on prenatal ultrasonography: A referral centre's experience	Fetal Medicine
EP133	08:35 12:00 15:25	A systematic review and statistical analysis of prenatal non-invasive diagnosis of sickle cell disease	Fetal Medicine
EP134	08:40 12:05 15:30	Outcome of prenatally-diagnosed echogenic fetal lung lesions in the North of England. A review of 228 cases to aid in prenatal counselling	Fetal Medicine
EP135	08:45 12:10 15:35	Comparison between intramuscular vs oral route of administration of antenatal corticosteroids in order to reduce neonatal morbidity and mortality	Fetal Medicine
EP136	08:50 12:15 15:40	Small for Gestation Age (SGA) births – Are we following the evidence based guidelines in undertaking their risk assessments, antenatal referral, surveillance and timely delivery?	Fetal Medicine
EP137	08:55 12:20 15:45	MAGnesium sulphate for fetal neuroprotection to prevent Cerebral Palsy (MAG-CP) – a managed knowledge translation project to implement guidelines in Canada	Fetal Medicine
EP138	09:00 12:25 15:50	A case of chronic abruption-oligohydramnios sequence in a patient with known poly-substance abuse	Fetal Medicine
EP140	09:05 12:30 15:55	Review of invasive prenatal testing at Rahima Moosa Mother and Child Hospital	Fetal Medicine
EP141	09:10 12:35 16:00	Comparison of perinatal outcomes between prenatally diagnosed supraventricular tachycardia and atrial flutter: a single-center experience	Fetal Medicine
EP142	09:15 12:40 16:05	Harlequin ichthyosis - Case report of a rare dermatological disorder	Fetal Medicine
EP143	09:20 12:45 16:10	A Case Series: Echogenic Bowel on Pre-Natal Ultrasound – Where to From Here?	Fetal Medicine
EP144	09:25 12:50 16:15	Detecting foetuses at risk of stillbirth (Pilot study results)	Fetal Medicine
EP145	09:30 12:55 16:20	Perinatal outcomes after fetoscopic laser coagulation in twin-twin transfusion syndrome with velamentous cord insertion	Fetal Medicine
EP146	09:35 13:00 16:25	Sirenomelia: The mermaid syndrome- A Rare case report	Fetal Medicine
EP148	09:40 13:05 16:30	Perinatal Outcomes in fetuses with early-onset fetal growth restriction at Chris Hani Baragwaneth Academic Hospital (CHBAH) and accuracy of Doppler findings in predicting outcomes	Fetal Medicine
EP152	09:45 13:10	Two dimensional echocardiography estimates of fetal ventricular mass throughout gestation	Fetal Medicine

	16:35		
EP154	09:50 13:15 16:40	Introduction of Non Invasive Prenatal SAFE test as contingent screening for aneuploidy within the NHS setting and impact on CVS referrals and cost saving	Fetal Medicine
EP155	09:55 13:20 16:45	The clinical significance of postnatal re-evaluation of uterine anomalies in unilateral renal anomalies	Fetal Medicine
EP156	10:00 13:25 16:50	Is our approach justified in performing the Umbilical Artery Doppler (UAD) surveillance of Small for Gestation Age (SGA) babies based on the growth velocity of Estimated Fetal Weight (EFW) rather than fetal Abdominal Circumference (AC)?	Fetal Medicine
EP158	10:05 13:30 16:55	The impact of maternal obesity on third trimester sonographic fetal weight estimation accuracy	Fetal Medicine
EP160	10:10 13:35 17:00	Normative references for fetal umbilical artery doppler indices among pregnant women in ile-ife, Nigeria	Fetal Medicine
EP161	10:15 13:40 17:05	Delivery decisions for discordant DCDA twins with abnormal dopplers	Fetal Medicine
EP162	10:20 13:45 17:10	Challenges is establishing fetal medicine services in a developing country	Fetal Medicine
EP165	10:25 13:50 17:15	Prenatal diagnosis of intraventricular hemorrhage. a rare in-utero presentation of inborn error of metabolism	Fetal Medicine
EP166	10:30 13:55 17:20	Fetal heart rate monitoring (FHRM) practices in a resource limited setting: experiences from Temeke Regional Referral Hospital, Dar es salaam, Tanzania	Fetal Medicine
EP167	10:35 14:00 17:25	Management of non-immune hydrops fetalis beyond viability - The ethical dilemma	Fetal Medicine
EP168	10:40 14:05 17:30	Predictors of good outcome in cystic hygroma	Fetal Medicine
EP169	10:45 14:10 17:35	DCDA twin pregnancy after endometrial ablation: case presentation	Fetal Medicine
EP172	10:50 14:15 17:40	Overview of the perinatal management and outcome of pre -term small for gestational age (SGA) births.	Fetal Medicine
EP173	10:55 14:20 17:45	Ultrasound predictors of adverse outcomes in fetal ascites	Fetal Medicine
EP175	11:00 14:25 17:50	The catastrophe that was avoided - a case of vasa praevia associated with bilobed placenta praevia	Fetal Medicine
EP176	11:05 14:30 17:55	Antenatal corticosteroids for preventing respiratory distress in the newborn at the University College Hospital, Ibadan, Nigeria: A comparative retrospective study	Fetal Medicine
EP177	11:10 14:35 18:00	Implementation of QUIPP: A tool to predict spontaneous preterm birth, incorporating fetal fibronectin and cervical length, in symptomatic women and high-risk asymptomatic women	Fetal Medicine

EP178	11:15 14:40 18:05	Case report on Prenatal diagnosis and management of fetal supraventricular tachycardia	Fetal Medicine
EP180	11:20 14:45 18:10	The effect of low amniotic fluid index on adverse perinatal outcomes in patients with preterm premature rupture of membranes	Fetal Medicine

POSTER SCREEN 7

Poster no.	Time	Title	Category
EP181	08:00 11:25 14:50	Giant ovarian cysts- A single institutional experience	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP185	08:05 11:30 14:55	Depot medroxyprogesterone (DMPA) and bone density	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP186	08:10 11:35 15:00	Comparative efficacy of metformin in obese versus nonobese women with polycystic ovarian syndrome	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP187	08:15 11:40 15:05	An unusual case of intra-abdominal candidiasis following laparoscopic hysterectomy	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP190	08:20 11:45 15:10	Audit of the manual vacuum aspiration service after one year of its introduction at Bedford Hospital NHS Trust.(April 2015 - April 2016) with the aim to assess success and failure rates, pain tolerance, patient satisfaction and complication rates	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP191	08:25 11:50 15:15	Survey on quality of life in post-operative gynaecological patients in the Teaching Hospital Peradeniya, Sri Lanka	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP192	08:30 11:55 15:20	Incidence of urinary tract infections after vaginal surgery	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP193	08:35 12:00 15:25	Diagnosis and management of endometriosis: a systematic review of international and national guidelines	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP194	08:40 12:05 15:30	Googling Endometriosis: a systematic review of information available on the internet	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP195	08:45 12:10 15:35	Diagnostic accuracy of Cancer Antigen 125 (CA125) for endometriosis in symptomatic women: a multi-centre study	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP197	08:50 12:15 15:40	Prevalence of benign gynaecological problems in postmenopausal women	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP198	08:55 12:20 15:45	Reference values for uterine volume and endometrial thickness in postmenopausal women	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP199	09:00 12:25 15:50	Reference values for ovarian volume in postmenopausal women	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP201	09:05 12:30 15:55	Myomatous Erythrocytosis Syndrome: a case study	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP203	09:10	The leadoff study comparing laparoscopy and	General Gynaecology (including

	12:35 16:00	laparotomy for the conservative surgical treatment of adenomyosis	Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP204	09:15 12:40 16:05	Extended conservative adenomyomectomy with TOUA for diffuse adenomyomectomy: 116 cases by single surgeon experience	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP205	09:20 12:45 16:10	Diagnostic performances of HE4, CA125, RMI and ROMA for the detection of ovarian cancer in presumed benign ovarian tumours	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP206	09:25 12:50 16:15	Vaginal Evisceration of small bowel - a rare and interesting case	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP207	09:30 12:55 16:20	Uterine fibroid presenting with a right atrial thrombus	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP208	09:35 13:00 16:25	Caesarean Myomectomy- Evaluation of its safety and feasibility by prospective observational study	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP209	09:40 13:05 16:30	An Unusual Case of a Free Floating Pelvic Cyst (Benign Mesothelial Cyst)	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP210	09:45 13:10 16:35	Atypical presentation of an infertile patient with fibroid uterus and recurrent convulsion-rare case report	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP212	09:50 13:15 16:40	Obese adolescent girls and gynaecological health issues	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP213	09:55 13:20 16:45	Medical termination of pregnancy after the first trimester	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP214	10:00 13:25 16:50	A rare presentation of an isolated endometrioma in a woman without history of endometriosis and absent uterus	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP215	10:05 13:30 16:55	The use of a vacuum device (Omnicut Kiwi cup [®]) during total abdominal hysterectomy to facilitate tissue manipulation and minimize complications of surgery	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP217	10:10 13:35 17:00	Recurrent caesarean section scar haematocele - a case report	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP218	10:15 13:40 17:05	Impact of abdominal hysterectomy for benign gynaecological conditions on quality of life	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP219	10:20 13:45 17:10	Abnormal uterine bleeding - straight to hysteroscopy?	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP220	10:25 13:50 17:15	Abdominal wall endometrioma: a case series and literature review	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP221	10:30 13:55 17:20	The value of sonographic endometrial thickness in screening for endometrial disease	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP222	10:35 14:00 17:25	Hysterectomy for heavy menstrual bleeding – are we offering women suitable alternatives?	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP224	10:40 14:05	The overuse of high vaginal swabs in the gynaecology outpatient department	General Gynaecology (including Menstrual Disorders/ Fibroids/

	17:30		Endometriosis/ Psychosomatic)
EP225	10:45 14:10 17:35	Preliminary outcomes following 15 months after HIFU installation at a Taiwanese Tertiary Hospital Center	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP227	10:50 14:15 17:40	To establish the role of color doppler in diagnosis of abnormal uterine bleeding	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP228	10:55 14:20 17:45	A rare case of recurrent abdominal wall endometrioma infiltrating pelvic organs	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP229	11:00 14:25 17:50	Review of Uterine Artery Embolisation service in a District General Hospital - A Quality Improvement Project	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP231	11:05 14:30 17:55	Improving patient care and treatment of women with heavy menstrual bleeding (HMB) in accordance to NICE guidance	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP232	11:10 14:35 18:00	Cervical Cancer and cervical cancer screening in Ghana: perception of women in a tertiary institution?	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP235	11:15 14:40 18:05	A cross-sectional study looking at the awareness and experiences of female pilgrims regarding menstrual suppression during Hajj 2016. Hajj is a holy pilgrimage for Muslims, with over two million people gathering in one place. Women make up 45% of pilgrims, many of whom use hormones to postpone menstruation	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP236	11:20 14:45 18:10	Giant abdominal wall endometriosis masquerading as an incisional hernia	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)

POSTER SCREEN 8

Poster no.	Time	Title	Category
EP237	08:00 11:25 14:50	Sonographic diagnosis of vascular lesions of the uterus: A report of three cases	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP240	08:05 11:30 14:55	A retrospective audit of outcome following Transcervical resection of endometrium and radiofrequency ablation of endometrium	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP241	08:10 11:35 15:00	Patients' presenting complaints leading to abdominal hysterectomy and their histopathological diagnosis: a retrospective study	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP242	08:15 11:40 15:05	Uptake of Pap smear screening and cervical pathology among women who underwent abdominal hysterectomy: a retrospective study	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP243	08:20 11:45 15:10	The role of the human Fallopian tube in endometrial proliferative disease	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP245	08:25 11:50 15:15	Patient satisfaction in nurse-led follow-up of women undergoing operative laparoscopy for severe endometriosis	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP246	08:30 11:55 15:20	A diagnostic challenge and a therapeutic dilemma: Uterine symplastic Leiomyoma	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP247	08:35 12:00	A very rare case of intraluminal ileal endometriosis causing acute intestinal obstruction!	General Gynaecology (including Menstrual Disorders/ Fibroids/

	15:25		Endometriosis/ Psychosomatic)
EP248	08:40 12:05 15:30	Umbilical endometriosis in a Bangladeshi woman : Case report	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP249	08:45 12:10 15:35	Ogilvie's syndrome following abdominal hysterectomy: A rare complication	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP250	08:50 12:15 15:40	Case series on Tubercular Wound Infection following Caesarean Section	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP251	08:55 12:20 15:45	POST-abortion depression : an undiscovered aspect of women's health	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP252	09:00 12:25 15:50	Successful myomectomy during second trimester of pregnancy: A case report and literature review	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP253	09:05 12:30 15:55	Heavy menstrual bleeding, anaemia and iron deficiency and its impact in exercising females in Singapore	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP254	09:10 12:35 16:00	Raised CA125 with "complex bilateral adnexal mass"- Case report	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP255	09:15 12:40 16:05	Anti-NMDA receptor encephalitis associated with ovarian teratomas in young women: A case series highlighting the ethical dilemma of oophorectomy	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP256	09:20 12:45 16:10	The age of Esmya– Does size matter in laparoscopic myomectomy? A single centre retrospective comparative study	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP257	09:25 12:50 16:15	Diagnostic and Management challenges with huge ovarian cyst-case report	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP258	09:30 12:55 16:20	Comparing indications for outpatient hysteroscopy in two London teaching hospitals: Should we do hysteroscopy for post-menopausal bleeding if endometrial thickness is less than 4mm?	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP259	09:35 13:00 16:25	A case report of primary ovarian carcinoid and a literature review on the genetic drivers of carcinogenesis in midgut-derived carcinoid tumours	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP260	09:40 13:05 16:30	Combination of metformin with simvastatin- a better choice than metformin alone in polycystic ovarian syndrome patients	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP261	09:45 13:10 16:35	PIMS-PCOS score, a new scoring system for predicting the success of metformin in polycystic ovarian syndrome patients	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP262	09:50 13:15 16:40	Vaginal leiomyoma: an incidental finding in a 45 year old with abnormal uterine bleeding	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP263	09:55 13:20 16:45	An audit on referrals for Gynaecologist review for inpatients under other specialities in a District General Hospital	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP264	10:00 13:25 16:50	Laparoscopic management of spontaneously incarcerated ovary through the broad ligament with adnexal torsion	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP265	10:05 13:30 16:55	Successful symptomatic control of fibroids using Esmya, in a patient with a hostile abdomen secondary to complications of laparoscopic excision	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)

		of endometriosis	
EP267	10:10 13:35 17:00	Novasure Endometrial Ablation: A retrospective study of current practice	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP268	10:15 13:40 17:05	A review of ovarian cysts diagnosed at the University Hospital Lewisham between 01/01/2014 to 31/12/2014 and the tumour marker trends	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP272	10:20 13:45 17:10	Novasure Endometrial ablation: is failure subjective?	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP273	10:25 13:50 17:15	Should "Isthmocele" be repaired or not? M. Hassan, S. Sripada, J. Wynn. University Hospital of South Manchester	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP277	10:30 13:55 17:20	Potentially new treatment paradigm for larger submucosal fibroids: Uterine artery embolization followed by planned hysteroscopic resection: preliminary data	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP278	10:35 14:00 17:25	Review of cases with cervical endometriosis diagnosed by colposcopy directed biopsy	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP937	10:40 14:05 17:30	Auditing the standardization in diagnosis and treatment of chronic pelvic pain in women	General Gynaecology (including Menstrual Disorders/ Fibroids/ Endometriosis/ Psychosomatic)
EP279	10:45 14:10 17:35	A confidential enquiry into maternal deaths in Zomba District, Malawi - using the CEMACH style of enquiry to identify failings of peripartum care in the developing world	Global Health
EP281	10:50 14:15 17:40	Antenatal monitoring of pre-eclampsia in a low resource setting	Global Health
EP282	10:55 14:20 17:45	Active management of the third stage of labor's Uterine Tonus Assessment by Midwives versus Patient self-assessment (UTAMP): a non-inferiority randomized controlled trial	Global Health
EP283	11:00 14:25 17:50	Prevention of early onset group B Streptococcus infection: Dubai Hospital Audit Report 2014	Global Health
EP285	11:05 14:30 17:55	Functionality of Healthcentres and Hospitals providing maternity care in the Masaka region, Uganda	Global Health
EP286	11:10 14:35 18:00	Male perceptions of female genital mutilation: A systematic review of the socio- demographic factors associated with male attitudes	Global Health
EP288	11:15 14:40 18:05	High risk pregnancy in a low resource setting: Diabetes, the next Epidemic?	Global Health
EP290	11:20 14:45 18:10	Strategies and implementation of intrapartum foetal surveillance in low- and middle-income countries: A systematic review	Global Health

POSTER SCREEN 9

EP838	08:20 11:45 15:10	An Audit on OGTT reports in Antenatal mothers who attends to the Obstetrics clinic at Teaching Hospital, Sri Lanka	Quality Improvement, Education, Simulation and Patient Safety
EP839	08:25 11:50 15:15	An Audit on time interval between perineal tear repair and delivery of baby in Teaching Hospital , Peradeniya, Sri Lanka	Quality Improvement, Education, Simulation and Patient Safety
EP840	08:30 11:55 15:20	Obstetric emergencies in the developing world: Does simulation training improve healthcare professionals' knowledge and confidence?	Quality Improvement, Education, Simulation and Patient Safety
EP841	08:35 12:00 15:25	Challenges within maternal healthcare - Teaching undergraduates using simulation	Quality Improvement, Education, Simulation and Patient Safety
EP842	08:40 12:05 15:30	Challenges within obstetric healthcare - teaching undergraduates using simulation	Quality Improvement, Education, Simulation and Patient Safety
EP843	08:45 12:10 15:35	Using a simple technology-based solution to help improve clinical quality, efficiency and patient experience in a dedicated obstetrics and gynaecology hospital	Quality Improvement, Education, Simulation and Patient Safety
EP844	08:50 12:15 15:40	Postnatal management of hypertensive patients on discharge	Quality Improvement, Education, Simulation and Patient Safety
EP846	08:55 12:20 15:45	Does dropping Day 5 PEP follow-up affect outcomes? An audit of HIV post-exposure prophylaxis at a central London sexual health clinic	Quality Improvement, Education, Simulation and Patient Safety
EP847	09:00 12:25 15:50	Study the feasibility of doing non-fasting oral glucose tolerance test instead fasting OGTT in diagnosing Gestational Diabetes Mellitus in Sri Lanka	Quality Improvement, Education, Simulation and Patient Safety
EP848	09:05 12:30 15:55	The impact of a national cardiocography education programme on birth hypoxia: A historically controlled intervention study	Quality Improvement, Education, Simulation and Patient Safety
EP849	09:10 12:35	Effectiveness of low fidelity simulation models for PPH management: Based on the Intensive Course in	Quality Improvement, Education, Simulation and Patient Safety

	16:00	Obstetric Emergencies (ICOE) experience in Myanmar, Cambodia and Bangladesh	
EP850	09:15 12:40 16:05	Participation in clinical trials improves outcomes in women's health: A systematic review and meta-analysis. Subtitle: Trial participation effect in women's health: Review	Quality Improvement, Education, Simulation and Patient Safety
EP852	09:20 12:45 16:10	The intraoperative imaging of the recto-vaginal septum using a dual array transrectal / transvaginal ultrasound probe: A novel aid to promote intraoperative safety and accuracy	Quality Improvement, Education, Simulation and Patient Safety
EP855	09:25 12:50 16:15	Learning from Events: The FLE Project	Quality Improvement, Education, Simulation and Patient Safety
EP856	09:30 12:55 16:20	Can we safely reduce the number of Caesarean Sections at our institution?	Quality Improvement, Education, Simulation and Patient Safety
EP858	09:35 13:00 16:25	Obstetrics and gynaecology ultrasound scan training	Quality Improvement, Education, Simulation and Patient Safety
EP859	09:40 13:05 16:30	The use of information technology (telemedicine) in Obstetrics and Gynaecology to facilitate clinical governance requirements	Quality Improvement, Education, Simulation and Patient Safety
EP860	09:45 13:10 16:35	Improving information for parents when a pregnancy is complicated by a fetal abnormality: implementation and evaluation of new patient information leaflets in a UK tertiary fetal medical centre.	Quality Improvement, Education, Simulation and Patient Safety
EP861	09:50 13:15 16:40	Implementation of an enhanced recovery pathway for elective caesarean sections	Quality Improvement, Education, Simulation and Patient Safety
EP862	09:55 13:20 16:45	Survey on the quality of the educational supervision in health education East of England - Where does O&G stand? -	Quality Improvement, Education, Simulation and Patient Safety
EP863	10:00 13:25 16:50	To Fe or not to Fe? clinician and patient perception of iron therapy in a London Hospital	Quality Improvement, Education, Simulation and Patient Safety
EP864	10:05 13:30 16:55	A clinical audit: The safe prescribing of combined hormonal contraception in the community	Quality Improvement, Education, Simulation and Patient Safety
EP867	10:10 13:35 17:00	Multi-professional review of 144 cases of major Postpartum Haemorrhage (PPH) - Reviewing care to improve practice	Quality Improvement, Education, Simulation and Patient Safety
EP868	10:15 13:40 17:05	Dilemma of high vaginal swabs in pregnancy	Quality Improvement, Education, Simulation and Patient Safety
EP870	10:20 13:45 17:10	International benchmarking of delivery outcomes against english NHS maternity indicators	Quality Improvement, Education, Simulation and Patient Safety
EP871	10:25 13:50 17:15	Black Wednesday: How patient safety was affected in the gynaecology ward	Quality Improvement, Education, Simulation and Patient Safety
EP872	10:30 13:55 17:20	Step Up, a one day course, improves confidence and reduces anxiety for making the leap to ST3	Quality Improvement, Education, Simulation and Patient Safety
EP874	10:35 14:00	Ultrasound training in health education Kent, Sussex and Surrey - A trainee survey	Quality Improvement, Education, Simulation and Patient Safety

	17:25		
EP875	10:40 14:05 17:30	Humanities vs scientific background as preliminary indicators for performance of graduate medical students	Quality Improvement, Education, Simulation and Patient Safety
EP876	10:45 14:10 17:35	Reducing the risk of retained swabs after vaginal delivery	Quality Improvement, Education, Simulation and Patient Safety
EP877	10:50 14:15 17:40	Job burnout among postgraduate residents:-a comparison among different specialities	Quality Improvement, Education, Simulation and Patient Safety
EP878	10:55 14:20 17:45	Attitudes to Abortion among specialty trainees in obstetrics and gynaecology	Quality Improvement, Education, Simulation and Patient Safety
EP879	11:00 14:25 17:50	Quality of care assessment of gestational diabetic patients' at a community hospital	Quality Improvement, Education, Simulation and Patient Safety
EP882	11:05 14:30 17:55	MandM buddy (Medical and Midwifery student buddy scheme). Enhancing the acquisition of clinical and non-clinical skills through shared peer to peer practice development in maternity disciplines	Quality Improvement, Education, Simulation and Patient Safety
EP883	11:10 14:35 18:00	Insight into learning environment of community-based clerkship in a low-middle income country	Quality Improvement, Education, Simulation and Patient Safety
EP884	11:15 14:40 18:05	LEAP: The effect of instituting a labour epidural awareness programme in a regional academic public hospital in Gauteng, South Africa.	Quality Improvement, Education, Simulation and Patient Safety
EP885	11:20 14:45 18:10	Improving induction of labour - a quality improvement project using Cook Cervical Ripening Balloon for delayed induction of labour and its effect on the length of the induction process and caesarean section rate	Quality Improvement, Education, Simulation and Patient Safety
EP110	18:15 18:20 18:25	Abnormal and Inconclusive hysterosalpingogram (HSG) for the evaluation of female infertility. What next?	Fertility and Reproductive Medicine

POSTER SCREEN 20

Poster no.	Time	Title	Category
EP886	08:00 11:25 14:50	Development of Interactive E-Learning Anatomy Resources For 1 Year Students: Female Reproductive Anatomy - A case study	Quality Improvement, Education, Simulation and Patient Safety
EP905	08:05 11:30 14:55	A Call for Universal Pre-Printed Consent Forms	Quality Improvement, Education, Simulation and Patient Safety
EP888	08:10 11:35 15:00	Barriers and Enablers to the use of the partograph in Central Region, Ghana: A qualitative study using in-depth interviews, case scenarios and focus group discussions	Quality Improvement, Education, Simulation and Patient Safety
EP889	08:15 11:40 15:05	Early onset Group B Streptococcus at the Royal London Hospital: Case clusters in 2010 and 2013 prompts a five-year review of antenatal and intrapartum care	Quality Improvement, Education, Simulation and Patient Safety
EP890	08:20 11:45 15:10	Use of 1% Lidocaine for Insertion of Peripheral Venous Cannulae	Quality Improvement, Education, Simulation and Patient Safety
EP893	08:25	Multidisciplinary Obstetric and Midwifery Simulation	Quality Improvement, Education,

	11:50 15:15	Course (MOMs): 6 years of commitment to training	Simulation and Patient Safety
EP894	08:30 11:55 15:20	Audit on antenatal corticosteroid regime and whether the practice is compatible with RCOG green top guidelines	Quality Improvement, Education, Simulation and Patient Safety
EP895	08:35 12:00 15:25	Understanding the principles of electrosurgery during laparoscopy: A survey amongst trainees and consultants in Obstetrics and Gynaecology	Quality Improvement, Education, Simulation and Patient Safety
EP897	08:40 12:05 15:30	A novel post-partum haemorrhage prevention teaching package designed for obstetric theatres of a high risk unit	Quality Improvement, Education, Simulation and Patient Safety
EP898	08:45 12:10 15:35	Impact of emergency obstetrics care skills training workshops for medical students at Ziauddin University. Karachi. Pakistan	Quality Improvement, Education, Simulation and Patient Safety
EP899	08:50 12:15 15:40	Simulating obstetric scenarios PROMPTly	Quality Improvement, Education, Simulation and Patient Safety
EP900	08:55 12:20 15:45	Risk assessment to post-partum haemorrhage	Quality Improvement, Education, Simulation and Patient Safety
EP902	09:00 12:25 15:50	Optimising use of elective caesarean section lists – the creation of a planning tool	Quality Improvement, Education, Simulation and Patient Safety
EP903	09:05 12:30 15:55	Conception of teaching and learning in specialist medical training program: A phenomenographic study in obstetrics and gynaecology	Quality Improvement, Education, Simulation and Patient Safety
EP904	09:10 12:35 16:00	Barriers to conducting clinical trials among women attending Antenatal and gynaecological clinics in South West Tshwane District, South Africa	Quality Improvement, Education, Simulation and Patient Safety
EP906	09:15 12:40 16:05	A unique model of the multi-disciplinary team in high risk obstetric patients	Quality Improvement, Education, Simulation and Patient Safety
EP908	09:20 12:45 16:10	The effectiveness of anterior vaginal wall repair with native tissue for a symptomatic cystocele in a tertiary institution in South Africa	Urogynaecology (including Maternal Birth Trauma)
EP909	09:25 12:50 16:15	The impact of using clinical practice guidelines in selecting the route of hysterectomy in a tertiary institution in South Africa	Urogynaecology (including Maternal Birth Trauma)
EP910	09:30 12:55 16:20	Women scheduled for pelvic floor reconstructive surgery: a neuro-musculoskeletal perspective	Urogynaecology (including Maternal Birth Trauma)
EP911	09:35 13:00 16:25	Serious complication of Methylene Blue during fistulae repaired operation	Urogynaecology (including Maternal Birth Trauma)
EP912	09:40 13:05 16:30	Undiagnosed anterior sacral myelomeningocele presented at the age of 52 years with mixed urinary incontinence and voiding dysfunction: A case report and literature review	Urogynaecology (including Maternal Birth Trauma)
EP913	09:45 13:10 16:35	Restoration of the pubourethral ligament (PUL) with platelet rich plasma (PRP) for the treatment of Stress Urinary Incontinence (SUI)	Urogynaecology (including Maternal Birth Trauma)
EP914	09:50 13:15 16:40	Audit of Mirabegron use and response to treatment in a cohort of women with overactive bladder syndrome at Northampton General Hospital	Urogynaecology (including Maternal Birth Trauma)
EP915	09:55 13:20	TVSSF 550 cases audit – single surgeon series	Urogynaecology (including Maternal Birth Trauma)

	16:45		
EP916	10:00 13:25 16:50	267 sub urethral slings – Audit using surgical database	Urogynaecology (including Maternal Birth Trauma)
EP917	10:05 13:30 16:55	Impact on quality of life and improvement of symptoms of pelvic organ prolapse following vaginal surgeries	Urogynaecology (including Maternal Birth Trauma)
EP918	10:10 13:35 17:00	Outcomes and patient satisfaction after Tension-Free Vaginal Tape (TVT) for treatment of stress urinary incontinence	Urogynaecology (including Maternal Birth Trauma)
EP919	10:15 13:40 17:05	Review of our hospital's experience of Obstetric Anal Sphincter Injury and the risk factors	Urogynaecology (including Maternal Birth Trauma)
EP920	10:20 13:45 17:10	A case report: Vaginal cyst-gartner duct cyst	Urogynaecology (including Maternal Birth Trauma)
EP921	10:25 13:50 17:15	The unusual complication of cervical elongation following a laparoscopic sacrohysteropexy	Urogynaecology (including Maternal Birth Trauma)
EP923	10:30 13:55 17:20	Intra-, peri- and postoperative complications in pelvic organ prolapse surgery in elderly women	Urogynaecology (including Maternal Birth Trauma)
EP924	10:35 14:00 17:25	Effectiveness of mirabegron for refractory overactive bladder syndrome in the general population of a District General Hospital in the UK	Urogynaecology (including Maternal Birth Trauma)
EP927	10:40 14:05 17:30	Sacrohysteropexy with prolene mesh in the management of uterovaginal prolapse	Urogynaecology (including Maternal Birth Trauma)
EP928	10:45 14:10 17:35	Midnight for the OASIs? Successfully reducing the incidence of obstetric anal sphincter injuries	Urogynaecology (including Maternal Birth Trauma)
EP929	10:50 14:15 17:40	A tertiary experience of vesico-vaginal fistula repair: with Naveed's technique	Urogynaecology (including Maternal Birth Trauma)
EP931	10:55 14:20 17:45	Influence of sulphated glycosaminoglycans on ultrastructure and mechanical property of vaginal tissues during pregnancy	Urogynaecology (including Maternal Birth Trauma)
EP932	11:00 14:25 17:50	Biomechanical study of uterosacral ligaments after platelet rich plasma injection	Urogynaecology (including Maternal Birth Trauma)
EP933	11:05 14:30 17:55	Pelvic floor dysfunction in female triathletes	Urogynaecology (including Maternal Birth Trauma)
EP934	11:10 14:35 18:00	Follow up of Obstetric anal sphincter injury (OASIS) with Endoanal ultrasound - A Quality improvement service in a university teaching hospital	Urogynaecology (including Maternal Birth Trauma)
EP690	11:15 14:40 18:05	Pregnancy after bariatric surgery	Maternal Medicine
EP614	11:20 14:45 18:10	Audit of blood pressure profile in women with gestational hypertension or pre-eclampsia who attended MAU for BP surveillance in antenatal period	Maternal Medicine
EP391	18:15 18:20 18:25	The role of cyclic AMP as an anti-inflammatory in human myometrium	Labour and Obstetrics
